DiFabion Wins Again! 2019 Regional CotY Award Winner

For the fourth consecutive year, DiFabion Remodeling won the Southeast Region NARI Contractor of the Year Award. This year's event was held in San Diego, CA, where DiFabion Remodeling was one of five regional winners in the category of Best Residential Kitchen \$30-60,000. It is an honor to receive this award again, and we look forward to continuing another great year in remodeling!

PROJECT SPOTLIGHT

The owners of this kitchen were looking to update and brighten the space without the hassle and expense of a full tear out. The existing cabinetry was in excellent shape, but the traditional finishes and awkward island configuration left a lot to be desired. The

remedy for this was to incorporate a completely new island as the centerpiece of the kitchen and update the perimeter to reflect a fresh new style. The kitchen now features a new “linear” island configuration, lighter quartz countertops and backsplash, a hammered steel farm front sink, and a solid walnut raised countertop with a waterfall edge. These new upgrades completely transformed a dark, traditional kitchen into a modern marvel, without breaking the bank!

DESIGN DISTINCTIONS

...with Jackie and Jaclyn

Our vision is to create a memorable brand experience while enhancing the quality of life for the clients we serve.

We love providing unique elements in our clients' designs, allowing us to create more personalized end results. In the past, the majority of homeowners had the choice between matching cabinetry or stainless steel hoods in their kitchens. Recently, we've begun incorporating more creative approaches to cooking ventilation. Whether it be a clean and simple drywall hood that is more modern, or a hood featuring reclaimed, stained trim with lots of character, we've really enjoyed stretching our creativity. The opportunities are endless when we think outside the box and use something other than premanufactured hoods.

OUR MISSION

Our mission at DiFabion Remodeling is to deliver an exceptional remodeling experience built on Trust, Vision, Pride, and Family, with the goal of exceeding our clients' expectations in every way.
